

Attention students: Learn how to feel more prepared and confident in the arrangement conference!

Join us for a virtual Arranger Training session presented exclusively for FINE students on September 18.

Make the most of the arrangement conference through a creative, five-step process presented by the National Funeral Directors Association.

This high-energy, interactive program provides you with the tools you need to convey the value of the funeral to families and partner with them to design memorable life tribute events.

Through a combination of small- and large-group discussions, problem-solving and creative collaboration, you'll leave with fresh approaches and new ideas to transform your arrangement conferences.

You'll also take home comprehensive tools and resources you need to initiate an action plan for your team, including exclusive guidelines from T. Scott Gilligan, NFDA General Counsel; Dr. Jason Troyer and other notable sources!
